CENSUS OF IRELAND, 1911.

COUNTY OF KERRY.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the (Administrative) County of Kerry from the Census Returns of 1911.

SUMMARY.

Area.—The (Administrative) County of Kerry covers an area of 1,189,787 statute acres, or 5·7 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County of Kerry, according to the Census of 1901, was 165,726; and according to the recent Census, 159,691 (81,474 Males and 78,217 Females), or 3·64 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the decrease during the decade:—

County Districts.	Population.		Increase or Decrease between 1901 and 1911.		
			Number.		
	1901.	1911.	Increase.	Decrease.	Rate per cent.
Killarney Urban	5,656	5,796	140	–	2·5
Listowel Urban	3,605	3,109	–	196	5·4
Tralee Urban	9,867	10,300	433	–	4·4
Cahersiveen Rural	22,435	20,785	-	1,650	7·4
Dingle Rural	18,274	17,804	-	470	2·6
Kenmare Rural	14,642	13,212	-	1,430	9·8
Killarney Rural	31,440	30,190	-	1,250	4·0
Listowel Rural*	27,789	26,812	-	977	3·5
Tralee Rural	32,018	31,383		635	2·0
Total	165,726	159,691		6,035	3·6

* Formerly Listowel No. 1.

From the foregoing Statement it will be observed that there was an increase in two County Districts, viz., 2·5 per cent. in Killarney Urban, and 4·4 per cent. in Tralee Urban; and a decrease in 7 County Districts ranging from 9·8 per cent. in Kenmare Rural, and 7·4 per cent. in Cahersiveen Rural, to 2·6 per cent. in Dingle Rural, and 2·0 per cent. in Tralee Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County at the time of the late enumeration was 28,854, the average number of persons in a family being thus 5·5. The number of Inhabited Houses was 28,038, showing an average of 5·6 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 24,367, or 84·4 per cent. of the total number of Families in the County, and of these 21 were occupiers of part of a room only; 2,457, or 8·5 per cent. of the total number of Families in the County were occupiers of one room; 9,626 or 33·4 per cent., occupiers of two rooms; 8,608, or 29·8 per cent., occupiers of three rooms; and 3,655 or 12·7 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County was 2,466, comprising 664 cases, in which the room had only one occupant; 1,241 cases where the room had 2, 3, or 4 occupants; 422 cases in which there were 5, 6, or 7 occupants; and 139 cases where the occupants exceeded 7 in number, including 18 cases of 10 persons, 12 cases of 11 persons, and 4 of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains three such Areas, viz., Killarney Urban, Listowel Urban, and Tralee Urban. In 1901 the population of these Areas amounted to 19,128. In 1911 it was 19,505, showing an increase of 377 persons, or 2·0 per cent.; but in the remainder of the County there was a decrease of 4·4 per cent.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 4,755, or one in every 35 of the population; of this number 1,261 were inmates of Workhouses, and 3,494 were in receipt of Outdoor Relief. In 1911 the number returned was 3,353, or one in every 48 of the population; 1,147 of these being in the Workhouses, and 2,206 on Outdoor Relief, which figures includes 100 children Boarded-out.

Printed image digitised by the University of Southampton Library Digitisation Unit

The Sick (Table XII.).—In 1901 the number of persons in the County of Kerry returned as Sick, on the night of the Census, was 1,210, or one in every 137 of the population. In 1911 the number so returned was 848, or one in every 188 of the population; of the latter number 378 were at their own homes, and 470 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the Purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County of Kerry during the ten years ending 31st March, 1911, was 7,392, equal to an average annual rate of 4·5 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County during the ten years was 39,209, affording an average annual rate of 24·1 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 22,065, being equal to an average annual rate of 13·6 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 94·9 per cent were born therein; 2·7 per cent. in other Counties of the Province of Munster; 0·7 per cent. in Leinster; 0·2 per cent. in Ulster; 0·3 per cent. in Connaught; 0·7 per cent. in Great Britain; and 0·5 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County of Kerry in 1911:—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics	155,322	97·2
Protestant Episcopalians	3,725	2·3
Presbyterians	265	0·2
Methodists	265	0·2
All other Denominations (and Religion unascertained)	112	0·1
Information Refused	2	0·0
Total	159,691	100·

From the above Table it will be seen that of the total population of the County in 1911, 97·2 per cent. were Roman Catholics; 2·3 per cent. Protestant Episcopalians; 0·2 per cent. Presbyterians; and 0·2 per cent. Methodists. In 1901 Roman Catholics formed 96·9 per cent.; Protestant Episcopalians, 2·7 per cent. Presbyterians, 0·1 per cent.; and Methodists, 0·2 per cent., of the population of the County.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this County, are:—

	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write ..	110,469	86·5
Read only ..	2,051	1·6
Illiterate ..	15,152	11·9
Total ..	127,672	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion as in former years, it would have appeared that the per-centage of those unable to read or write, which was 24·6 in 1891, and 17·1 in 1901, had fallen to 14·8 in 1911.

Printed image digitised by the University of Southampton Library Digitisation Unit

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County of Kerry returned as being able to speak the Irish Language in 1911 was 60,719 (1,891 of whom could speak "Irish only," and 58,828 could speak "Irish and English"), representing 38·0 per cent. of the total population of the County.

Table (XXXVI.) gives for the first time by District Electoral Divisions, the information available regarding the Irish Speaking portion of the population; while Table XXXVII. shows, by County Districts, the number in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.)—The number of pupils attending school in the County of Kerry, according to the Census of 1901 (week ending 11th May), was 29,371. In 1911 the number returned (for week ending 13th May), was 31,094.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Kerry, amounted to 23,074 (11,284 males, and 11,790 females); the number for the decade ending 31st March, 1901, was 38,599; for that ending with March, 1891, 50,855; for that ending with March, 1881, 27,036; for that ending with March, 1871, 40,480, and for that ending with March, 1861, 54,672, making a total of 234,716 for the sixty years.

WILLIAM J. THOMPSON,
Registrar-General.

EDWARD O'FARRELL,

DANIEL S. DOYLE.

Knightstown Town (*b*) .	(b)	59	72	52	49	3	.	92	330	324	250	123	127	(b)

(*a*) Portmagee town stands on the townland of Doory, in which its area and valuation are included. It has an estimated area of 14 acres.
(*b*) Knightstown town stands on the townland of Farranreagh, in which its area and valuation are included. It has an estimated area of 20 acres. The enumerator reports that in 1901 some houses were returned as in the town, which properly should have been allocated to the townland
(*c*) Including 181 persons in 1891 on board shipping in Valencia Harbour, persons on board a gunboat in 1901, and 52 persons in 1911 on board shipping.

(a) The remainder is in Killarney No. 2 Registrar's District. All the townlands, or parts of townlands, in this D.E.D. are included in Killarney Urban District. For the entire D.E.D. and Urban District, see Table VI., page 3.

*Owing to the division of the townland of Killarney, and the Killarney Urban District between the Registrar's Districts of Killarney, Nos. 1 and 2, it is not practicable to state the valuation of each of the Registrars' Districts, nor of each portion of the divided D.E.D. The total valuation of the Registrars' Districts is £28,278 11s., and that of the entire D.E.D. of Killarney Urban is £9,619 4s.

(a) The remainder is in Tralee No 2 Registrar's District. All the townlands, or parts of townlands, in this D.E.D. are included in Tralee Urban District. For the entire D.E.D. and Urban District, see Table VI., page 3.

(b) The remainder is in Tralee Rural D.E.D.

(c) Including 228 males on board shipping

(d) The remainder of this townland is included in Tralee Urban District, and Tralee Urban D.E.D., in Tralee No 2 Registrar's District.

* See note (*), on page 56.

† Owing to the division of the townland of Tralee and the Tralee Urban D.E.D. between the Registrars' Districts of Tralee, Nos. 1 and 2, it is not practicable to give the valuation of each Registrar's District, nor of each portion of the divided D.E.D. The total valuation of the Registrars' Districts is £45,203 12s., that of the entire D.E.D. of Tralee is £15,366 11s.

‡ Exclusive of the area of the Urban portion of Tralee townland which is in this District See note (*) page 56.

(a.) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what may be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or second class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

CENSUS OF IRELAND, 1911.

COUNTY AND CITY OF LIMERICK.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the County (Administrative) and City of Limerick from the Census Returns of 1911.

SUMMARY.

Area.—The County (Administrative) and City of Limerick covers an area of 680,898 statute acres, or 3·3 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County and City of Limerick according to the Census of 1901 was 146,098; and according to the recent Census, 143,069 (72,229 Males and 70,840 Females), or 2·07 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

County Districts.	Population.		Increase or Decrease between 1901 and 1911.		
			Number.		Rate per cent.
	1901.	1911.	Increase.	Decrease.	
Croom Rural	10,806	10,372	–	434	4·0
Glin Rural*	4,301	4,016	–	285	6·6
Kilmallock Rural†	21,430	20,806	–	624	2·9
Limerick No. 1 Rural ..	20,271	20,257	–	14	0·1
Mitchelstown No 2 Rural ..	5,501	5,045	–	456	8·3
Newcastle Rural	23,891	23,594	–	297	1·2
Rathkeale Rural	14,991	13,863	–	1,128	7·5
Tipperary No 2 Rural ..	6,756	6,598	–	158	2·3
Total of County	107,947	104,551	–	3,396	3·1
Limerick City	38,151	38,518	367	–	1·0
Total of County and City ..	146,098	143,069	–	3,029	2·1

* Formerly Listowel No. 2. †Formerly Kilmallock No. 1.

From the foregoing Statement, it will be observed that there was an increase of 1·0 per cent. in Limerick City; but there was a decrease in each of the County Districts, ranging from 8·3 per cent. in Mitchelstown No. 2 Rural and 7·5 per cent. in Rathkeale Rural, to 0·1 per cent. in Limerick No. 1 Rural, and 1·2 per cent. in Newcastle Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County and City at the time of the late enumeration was 28,638, the average number of persons in a family being thus 4·8. The number of Inhabited Houses was 26,747, showing an average of 5·2 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 20,378, or 71·2 per cent. of the total number of Families in the County and City, and of these 14 were occupiers of part of a room only; 2,001 or 7·0 per cent. of the total number of Families in the County were occupiers of one room; 5,771, or 20·2 per cent., occupiers of two rooms; 6,357, or 22·2 per cent., occupiers of three rooms; and 6,235, or 21·8 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County and City was 2,008, comprising 582 cases in which the room had only one occupant; 1,005 where the room had 2, 3, or 4 occupants; 346 cases in which there were 5, 6, or 7 occupants; and 75 cases where the occupants exceeded 7 in number, including 10 cases of 10 persons, 5 cases of 11 persons, and 2 of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains 2 such Areas, viz., Limerick and Newcastle. In 1901 the population of these Areas amounted to 40,750. In 1911 it was 41,103, showing an increase of 353 persons, or 0·9 per cent.; but in the remainder of the County there was a decrease of 3·2 per cent.

Printed image digitised by the University of Southampton Library Digitisation Unit

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 6,277, or one in every 23 of the population; of this number 2,425 were inmates of Workhouses, and 3,852 were in receipt of Outdoor Relief. In 1911 the number returned was 4,045 or one in every 35 of the population; 2,063 of these being in the Workhouses, and 1,982 on Outdoor Relief, which figure includes 112 children Boarded-out.

The Sick (Table XII.).—In 1901 the number of persons in the County and City of Limerick returned as Sick, on the night of the Census, was 1,435, or one in every 102 of the population. In 1911 the number so returned was 1,279, or one in every 112 of the population; of the latter number 313 were at their own homes, and 966 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County and City of Limerick during the ten years ending 31st March, 1911, was 7,478, equal to an average annual rate of 5·2 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County and City during the ten years was 34,146, affording an average annual rate of 23·6 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 25,128, being equal to an average annual rate of 17·4 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 90·1 per cent. were born in the County or City; 7·3 per cent. in other Counties of the Province of Munster; 0·9 per cent. in Leinster; 0·2 per cent. in Ulster; 0·3 per cent. in Connaught; 0·7 per cent. in Great Britain; and 0·5 per cent. were born abroad.

Of the persons enumerated in the City of Limerick in 1911, 78·3 per cent. were born in the County or City of Limerick; 11·2 per cent. in other Counties of the Province of Munster; 3·3 per cent. in Leinster; 0·8 per cent. in Ulster; 1·1 per cent. in Connaught; 4·4 per cent. in Great Britain; and 0·9 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County and City of Limerick in 1911:—

Religious Professions.	County of Limerick.		City of Limerick.	
	Number of Persons.	Per-centage of Total Population.	Number of Persons.	Per-centage of Total Population.
Roman Catholics	101,502	97·1	34,865	90·5
Protestant Episcopalians ..	2,550	2·4	2,316	6·0
Presbyterians	136	0·1	847	2·2
Methodists	273	0·3	213	0·6
All other Denominations (and Religion unascertained) ..	72	0·1	266	0·7
Information Refused ..	18	0·0	11	0·0
Total	104,551	100·	38,518	100·

From the above Table it will be seen that of the total population of the County in 1911, 97·1 per cent. were Roman Catholics; 2·4 per cent. Protestant Episcopalians; 0·1 per cent. Presbyterians; and 0·3 per cent. Methodists. In 1901 Roman Catholics formed 97·0 per cent.; Protestant Episcopalians, 2·5 per cent.; Presbyterians, 0·1 per cent.; and Methodists, 0·3 per cent. of the population of the County.

In the City of Limerick, according to the present Census, 90·5 per cent. of the population were Roman Catholics; 6·0 per cent. Protestant Episcopalians; 2·2 per cent. Presbyterians; and 0·6 per cent. were Methodists. In 1901, Roman Catholics formed 89·1 per cent. of the population; Protestant Episcopalians, 8·0 per cent.; Presbyterians, 0·8 per cent.; and Methodists, 1·1 per cent. of the population of the City.

Printed image digitised by the University of Southampton Library Digitisation Unit

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for the County and City, are:—

—	County of Limerick.		City of Limerick.	
	Population, 9 years and upwards.			
	Numbers.	Proportion per cent.	Numbers.	Proportion per cent.
Read and write, ..	77,999	90·7	28,256	90·3
Read only, ..	1,753	2·0	827	2·6
Illiterate, ..	6,282	7·3	2,218	7·1
Total, ..	86,034	100·	31,301	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage for the County and City of those unable to read or write, which was 16·3 in 1891, and 11·6 in 1901, had fallen to 10·1 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County and City of Limerick returned as being able to speak the Irish Language in 1911 was 13,533, representing 9·5 per cent. of the total population.

Table (XXXVI.) gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County and City of Limerick, according to the Census of 1901 (week ending 11th May), was 24,777. In 1911 the number returned (for week ending 13th May), was 24,688.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County and City of Limerick, amounted to 11,278 (5,746 males, and 5,532 females); the number for the decade ending 31st March, 1901, was 14,426; for that ending with March, 1891, 33,081; for that ending with March. 1881, 22,132; for that ending with March, 1871, 46,339, [and for that ending with March, 1861, 62,173, making a total of 189,429 for the sixty years.

WILLIAM J. THOMPSON,
Registrar-General.

(*a*) The town of Pallas Grean stands on the townlands of Pallas, Pallashill, and Sungleu, in which its area and valuation are included; it has an estimated area of 10 acres. Some houses now returned in Pallas townland were included in the town in 1901.

(*b*) New Pallas Town stands on the townlands of Dromlesa, Garrane Beg, and Garrane More, in which its area and valuation are included; it was not previously returned separately.

(*c*) The town of Nicker stands on the townland of the same name, in which its area and valuation are included; it has an estimated area of 6 acres.

(*d*) The town of Oola stands on the townlands of Moanahila and Oolahills, West, in which its area and valuation are included; it has an estimated area of 24 acres. The enumerator reports that some houses which were, in 1901, included in the town are now shewn in Oolahills, West, townland, to which they properly belong.

* Included with portion of townland in adjoining parish.

SUMMARY.—NUMBER OF FAMILIES WHICH OCCUPY EACH CLASS OF ACCOMMODATION.

In Houses of the	Rural Areas. Number of Families occupying. 1st Class Accommodation.	2nd or 3rd Class Accommodation.	4th Class Accommodation.	Civic Areas (a) Number of Families occupying. 1st Class Accommodation.	2nd or 3rd Class Accommodation.	4th Class Accommodation.	Rural and Civic Areas. Number of Families occupying. 1st Class Accommodation.	2nd or 3rd Class Accommodation.	4th Class Accommodation.	Total. Families.	Houses.
1st Class .	1,271	58	22	793	645	329	2,064	733	411	3,208	2,353
2nd & 3rd Class .	.	15,850	65	.	5,742	403	.	24,592	468	25,060	24,027
4th Class .	.	.	353	.	.	17	.	.	370	370	367
Total .	1,271	15,938	440	793	6,387	809	2,064	25,325	1,249	28,638	26,747

(a.) The Civic Areas comprise all Municipal Boroughs Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the material of its walls and roof; 3rd, its solidity or durability, as shown by the number of its windows, and

If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house varying from one to four rooms and windows; in the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

TABLE IX.—Showing the total number of OCCUPIERS (or HEADS of FAMILIES) in occupation of less than Five Rooms in the City (or County Borough) of LIMERICK, and in each *COUNTY DISTRICT* in the County of LIMERICK, in 1911.

CENSUS OF IRELAND, 1911.

COUNTY OF TIPPERARY.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the County of Tipperary (Administrative Counties of Tipperary, North and South Ridings) from the Census Returns of 1911.

SUMMARY.

Area.—The County of Tipperary (Administrative Counties of Tipperary North and South Ridings) covers an area of 1,063,823 statute acres, or 5·1 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County of Tipperary according to the Census of 1901, was 160,232; and according to the recent Census, 152,133 (78,581 Males and 73,849 Females), or 4·87 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

County Districts	Population.		Increase or Decrease between 1901 and 1911.		
			Number.		Rate per cent.
	1901.	1911.	Increase.	Decrease.	
NORTH RIDING.					
Nenagh Urban	4,704	4,776	72	.	1·6
Templemore Urban	2,774	1,791	.	983	35·4
Thurles Urban	4,411	4,549	138	.	3·1
Birr No. 2 Rural	2,051	1,883	.	168	8·2
Borrisokane Rural	8,532	7,853	.	679	8·0
Nenagh Rural	20,228	18,262	.	1,966	9·7
Roscrea No. 1 Rural	8,017	7,652	.	365	4·6
Thurles Rural	17,098	16,115	.	983	5·7
SOUTH RIDING.					
Carrick-on-Suir Urban	5,406	5,235	.	171	3·2
Cashel Urban	2,938	2,813	.	125	4·3
Clonmel Urban	10,167	10,209	42	.	0·4
Tipperary Urban	6,281	6,645	364	.	5·8
Carrick-on-Suir No. 1 Rural	2,678	2,420	.	258	9·6
Cashel Rural	17,244	16,688	.	556	3·2
Clogheen Rural	15,521	14,737	.	784	5·1
Clonmel No. 1 Rural	4,879	4,803	.	76	1·6
Gortnahoe Rural*	2,766	2,738	.	28	1·0
Slievardagh Rural†	5,642	5,241	.	401	7·1
Tipperary No. 1 Rural	18,895	18,023	.	872	4·6
Total, North and South Ridings	160,232	152,433	.	7,799	4·9

*Formerly Urlingford No. 2. †Formerly Callan No. 2.

From the foregoing Statement it will be observed that there was an increase in 4 County Districts, viz., 1·5 per cent. in Nenagh Urban, 3·1 per cent. in Thurles Urban, 0·4 per cent. in Clonmel Urban, and 5·8 per cent in Tipperary Urban; but a decrease in 15 County Districts, ranging from 35·4 per cent. in Templemore Urban, and 9·7 per cent. in Nenagh Rural to 1·0 per cent. in Gortnahoe Rural, and 1·6 per cent. in Clonmel No. 1 Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County at the time of the late enumeration was 30,786, the average number of persons in a family being thus 4·8. The number of Inhabited Houses was 30,238, showing an average of 4·9 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 20,973, or 68·1 per cent. of the total number of Families in the County, and of these 13 were occupiers of part of a room only; 1,433 or 4·7 per cent. of the total number of Families in the County were occupiers of one room; 5,651, or 18·4 per cent., occupiers of two rooms; 7,278, or 23·6 per cent., occupiers of three rooms; and 6,598, or 21·4 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County was 1,439, comprising 499 cases, in which the room had only one occupant; 663 where the room had 2, 3, or 4 occupants; 206 cases in which there were 5, 6, or 7 occupants; and 71 cases where the occupants exceeded 7 in number, including 13 cases of 10 persons, 4 cases of 11 persons, and 2 of 12 or more persons in the room.

Printed image digitised by the University of Southampton Library Digitisation Unit

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains 7 such Areas, viz., Clonmel, Carrick-on-Suir, Cashel, Nenagh, Thurles, Tipperary and Roscrea. In 1901 the population of these Areas amounted to 36,232. In 1911 it was 36,409, showing an increase of 177 persons, or 0·5 per cent.; but in remainder of the County there was a decrease of 6·4 per cent.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 5,328, or one in every 30 of the population; of this number 2,302 were inmates of Workhouses, and 3,026 were in receipt of Outdoor Relief. In 1911 the number returned was 3,801, or one in every 40 of the population; 2,046 of these being in the Workhouses, and 1,755 on Outdoor Relief, which figure includes 42 children Boarded-out.

The Sick (Table XII.).—In 1901 the number of persons in the County of Tipperary returned as Sick, on the night of the Census, was 1,356, or one in every 118 of the population. In 1911 the number so returned was 1,075, or one in every 142 of the population; of the latter number, 347 were at their own homes, and 728 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of marriages registered in the County of Tipperary during the ten years ending 31st March, 1911, was 7,116, equal to an average annual rate of 4·6 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County during the ten years was 33,076, affording an average annual rate of 21·2 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 26,085, being equal to an average annual rate of 16·7 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 87·5 per cent. were born therein; 5·2 per cent. in other Counties of the Province of Munster; 4·0 per cent. in Leinster; 0·4 per cent. in Ulster; 0·6 per cent. in Connaught; 1·9 per cent. in Great Britain; and 0·4 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County of Tipperary in 1911:—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics	144,156	94·6
Protestant Episcopalians	7,221	4·7
Presbyterians	432	0·3
Methodists	435	0·3
All other Denominations (and Religion unascertained)	160	0·1
Information Refused	29	0·0
Total	152,433	100·

From the above Table it will be seen that of the total population of the County in 1911, 94·6 per cent. were Roman Catholics; 4·7 per cent. Protestant Episcopalians; 0·3 per cent. Presbyterians; and 0·3 per cent. Methodists. In 1901 Roman Catholics formed 93·8 per cent.; Protestant Episcopalians, 5·4 per cent.; Presbyterians, 0·3 per cent.; and Methodists, 0·3 per cent., of the population of the County.

Printed image digitised by the University of Southampton Library Digitisation Unit

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiteratee the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this County, are:—

	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write ..	115,062	90·9
Read only ..	3,250	2·6
Illiterate ..	8,233	6·5
Total .	126,545	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 15·1 in 1891, and 10·9 in 1901, had fallen to 8·9 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County of Tipperary returned as being able to speak the Irish Language in 1911 was 10,020, (3 of whom could speak "Irish only" and 10,017 could speak "Irish and English") representing 6·6 per cent. of the total population of the County.

Table XXXVI. gives for the first time, by District Electoral Divisions, the information available regarding the Irish Speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County of Tipperary, according to the Census of 1901 (week ending 11th May), was 26,151. In 1911 the number returned (for week ending 13th May) was 25,932.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Tipperary, amounted to 12,307 (6,199 males, and 6,108 females); the number for the decade ending 31st March, 1901, was 19,050; for that ending with March, 1891, 32,762; for that ending with March, 1881, 26,465; for that ending with March, 1871, 47,269, and for that ending with March, 1861, 81,068, making a total of 218,921, for the sixty years.

NOTE.—The Census of 1821 is the first that affords a means of comparison with those of subsequent decades.
The Navy and Military serving in Ireland are included in the Population Tables in 1861 and later, but not in previous Censuses.
There were 1,503 Military returned as serving in the County of Tipperary in 1811.
*The boundaries of this County were altered pursuant to the Local Government (Ireland) Act, 1898. The Administrative County of Tipperary, North Riding, consists of the then existing judicial county of the North Riding of the County of Tipperary (except the District Electoral Divisions of Cappagh, Carrraheen, and Glengar), and the Administrative County of Tipperary, South Riding, consists of (1) the then existing judicial county of the South Riding of the County of Tipperary; (2) so much of the then existing judicial county of the North Riding of Tipperary as comprised the District Electoral Divisions of Cappagh, Carrraheen, and Glengar; (3) so much of the then existing judicial County of Waterford as comprised the portion of the town of Carrick-on-Suir situated therein; and (4) so much of the then existing judicial County of Waterford as comprised the portion of the borough of Clonmel situated therein.

(*a*) Killenaule Town stands on the townlands of Killenaule and Knockavadagh, in which its area and valuation are included; it has an estimated area of 21 acres. In 1891 some houses which properly belonged to the rural portion of the last-named townland were enumerated with the town.
* Included with portion of townland in adjoining parish.

(a) The remainder of Ardfinnan Town is in Ballybacon parish in this D.E.D., and in Ardfinnan parish in Tullaghmelan D.E.D. This portion stands on the townlands of Commons and Magherareagh, in which its area and valuation are included. The entire town contains 350 persons; the figures of this part for 1891 and 1901 are included with those of the other portions.

(b) The remainder of Ardfinnan Town is in the parish of Ardfinnan in this D.E.D., and in the D.E.D. of Tullaghmelan. This portion stands on the townland of Kilballygorman, in which its area and valuation are included. See Note (a).

* Included with portion of townland in adjoining parish.

Total	1,940	21,581	202	887	5,945	231	2,827	27,526	433	30,786	30,2

(a.) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable materials, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what may be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, and all 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or second class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.
